## **August 21, 2007 Correction**

August 17, 2007

Dear OPRA Market Data Recipients:

As announced on July 26, 2007, SIAC will begin to use the 3 character security symbol to route traffic. The change will be effective at the start of day September 17, 2007. I have attached a revised traffic distribution for equity and index option traffic.

Testing is available from SIAC. Contact Joe Loughran at 212-383-4908 to arrange testing.

**The starting symbol for line 24 should be YHH. The corrected list is attached.**

Very truly yours,

Joe Corrigan  
Executive Director
