Dear OPRA Market Data Recipients:

The implementation of market data on all 48 lines is now scheduled for May 2, 2011. There will be a final verification check out the new traffic distribution on Saturday, April 30, 2011. The traffic distribution for the 48 line network is available in Appendix B of the SIAC Output Specification at www.opradata.com.

Testing of the 48 line network is available Monday through Friday evenings. To coordinate testing or participation in the Saturday final verification checkout, please register in the following way:

1. Email your name and number to CQS-CTS-OPRA@siac.com
2. Contact the SIAC Service Desk at 866-873-7422

Written or verbal confirmation of testing is required.

Very truly yours,

Joe Corrigan
Executive Director
