Dear OPRA Market Data Recipients:

As previously announced on August 27, 2009 and January 15, 2010, SIAC is deploying an Enhanced Autolink Facility to support automated CTS, CQS and OPRA retransmissions. Data Recipient migration is on schedule to be completed by May 28, 2010. After this date, only the Enhanced Autolink Facility will be available for retransmissions.

Please go to the following link to find the updated specification:

Testing Scheduling

Support of Data Recipient testing is available Tuesday and Thursday evenings and Saturdays. To schedule testing, please register in the following way:

**Email your name, organization name, phone number and date of test(s) to:**

**[CQS-CTS-OPRA@siac.com](mailto:CQS-CTS-OPRA@siac.com). To speak to the test coordinator, please contact William Gutierrez at 212-383-4908.**

Indirect Data Recipients must contact their service provider.

Very truly yours,

Joe Corrigan  
Executive Director
