May 9, 2008

Dear OPRA Market Data Recipients:

Pursuant to the notice generated on March 10, 2008, the FAST for Symbology network was activated in production on May 5, 2008, however it was deactivated for start-of-day May 6, 2008 due to an input sequence number rollover issue.

The FAST for Symbology network will be reactivated at the start of day, Monday, May 19, 2008. The previously published FAST network termination date of July 25, 2008 is under review.

Very truly yours,

Joe Corrigan
Executive Director
