

June 22, 2005

To: CTS/CQS and OPRA/FCO Multicast Data Recipients

Subject: New Back-Up Telephone Numbers for Retransmissions

The purpose of this notice is to advise all NMS Data Recipients utilizing AutoLink services for CTS/CQS and OPRA/FCO retransmissions of the implementation of new back-up telephone numbers. The new telephone numbers being introduced will replace and eliminate the back-up telephone numbers currently available, and are to be utilized only in cases where the primary telephone number fails. The primary telephone numbers currently used to access AutoLink for retransmissions will remain unchanged.

Implementation

The new back-up telephone numbers for requesting retransmissions through AutoLink will be revised and implemented as follows:

Date of Implementation	AutoLink Service	Current Primary Telephone Number	<u>Current Back-Up</u> Telephone Number	<u>New Back-Up</u> Telephone Number
Monday, July 18, 2005	CTS/CQS	(718) 797-1777	(212) 422-0951	(866) 441-5967
Thursday, June 23, 2005	OPRA/FCO	(718) 797-1661	(212) 422-1363	(866) 441-5969

Documentation

Attached please find the following revised AutoLink-2 User's Manual reflecting the changes to the CTS/CQS and OPRA/FCO back-up telephone numbers, which may also be obtained at the web sites: www.nysedata.com or www.opradata.com:

- AutoLink-2 User's Manual, Version 1.1.5, dated June 22, 2005

Please contact Joseph Loughran at (212) 383-4908 or Diane Mucha at (212) 383-5411 if you have any questions regarding these changes.

Sincerely,

Michael Collazo
Director
NMS Product Planning & Management
