Dear OPRA Market Data Recipients:

This is a reminder of changes in the OPRA Network taking place in the next few weeks.

- The ASCII Network for Equities & Index options will only be available until the end of day 03/14/08. On 03/17/08, the Equities & Index options service will only be available on the FAST Network.
- The separate FCO service (FCO 1) from the Philadelphia Stock Exchange is being eliminated after the close on 03/31/08. FCO 1 will be supported on the ASCII and FAST Network until 03/31/08.

Very truly yours,

Joe Corrigan  
Executive Director
