Dear OPRA Market Data Recipients:

I have attached a revised symbol distribution for the expanded OPRA equity and index options service. This distribution replaces the distribution announced on January 6, 2006 and is being done to better balance the traffic load.

The revised distribution will be utilized when the 24 line network goes into production at the start of day March 20, 2006. The new distribution will be utilized in testing starting March 13, 2006.

Very truly yours,

Joe Corrigan  
Executive Director
