December 11, 2006

Dear OPRA Market Data Recipients:

I have attached the revised traffic distribution for OPRA equity and index option traffic. The revised distribution was originally scheduled to be utilized at the start of day January 9, 2007. This has been rescheduled to the start of day on January 16, 2007. The increase in the potential traffic rate to 359,000 MPS is still scheduled for January 9, 2007.

Testing is available from SIAC. Contact Joe Loughran at (212) 383-4908 or Cheryl Boamah at (212) 383-4920 to arrange testing.

Very truly yours,

Joe Corrigan
Executive Director
