Dear ORRA Professional Subscribers and OPRA Vendors,

On November 1, 2018, the enclosed GDPR Addendum will become effective as part of the OPRA Professional Subscriber Agreement (PSA) and the OPRA Vendor Agreement. This Addendum formalizes OPRA's compliance with the European Union General Data Protection Regulation (GDPR). This Addendum is relevant only to those Professional Subscribers that have entered into PSAs with OPRA and that provide OPRA with "personal data" as defined in the GDPR and those OPRA Vendors that provide OPRA with "personal data" as defined in the GDPR.
